Household Money Map

A simple worksheet to organize monthly costs and choose one useful next step.

Start with your household picture

MONTH / YEAR

HOUSEHOLD GOAL THIS MONTH

Monthly money snapshot

Write estimates first. The goal is a clearer picture, not a perfect budget.

Service Checkup

Compare the services you use and record questions before you renew or switch.

Review one service at a time

Use this page to organize your own research. Ask each provider for current written terms, fees, equipment costs, cancellation rules, and service availability before you decide.

SERVICE	CURRENT PROVIDER	MONTHLY COST	RENEWAL DATE	OPTION TO COMPARE	NEXT STEP

Questions to ask

- What is the full monthly total, including fees and equipment?
- When can I make a change without an early termination fee?
- What is included, and what would cost extra?

GPSS tools help you organize questions and options. Providers set their own prices and terms. This worksheet is not financial or legal advice.
